Cartown is a playground of entertainment, combining the thrill of live music with a passion for the Dj decks. Cartown promises to play host to the best live music acts in the country and the most renowned Dj's from around the world.

Cartown has been designed to cater for every taste and will not disappoint. Cartown comprises of Passion Nightclub, Rock Tower live music venue,

The Manhattan Lounge and the Rock Garden. The venue will also have a number of exclusive suites furnished with the ultimate in luxury in mind.

No expense has been spared in the renovation of this iconic venue. A world class sound system delivers a thunderous yet warm sound as a result of the high-end speakers used. At many venues, the lighting system is but an afterthought, but at Cartown it was approached as an equally important and integrated part of the overall design. No detail was spared

in creating a stunning lighting display that works with the other elements of the club. Dynamic highlights such as versatile truss lighting and pulsar LED walls all create exciting visual environments for patrons to explore.

In the months to come, expect a wide variety of amazing events, world-class music, all with a spotlight on customer service and attention to detail. Friendly staff have the experience, skills, and personal touch that makes every party or event at Cartown the exciting

Smash Hits at Cartown

Smash Hits! are a unique and entertaining tribute to the golden era of early 90s dance, pop and R'n'B. This Dublin six-piece is comprised of experienced musicians performing the best of classic 90s tracks from acclaimed artists such as Technotronic, Vanilla Ice, C&C Music Factory, MC Hammer, House of Pain and Snap, amongst others.

Fully decked out in 90s outfits and possessing an energetic set overflowing with chart hits, Smash Hits! are a throwback to a feel-good time of old skool nightclub DJs, all-night raves and packed out dance floors.

Since bursting onto the club scene in May 2009 the band were quickly offered a residency in top Dublin venue Tripod. Over the summer, the festival circuit called and the band played Oxegen, to a roaring response. Electric Picnic was next with Smash Hits lighting up the main stage on the Friday. Continuing their Tripod residency and their own packed out gigs in Crawdaddy and The Sugar Club, Smash Hits! quickly became as popular as Push Pops, Pogs and Pop Tarts!

So grab your bum bag, bleach the tips of your hair, be a Fresh Prince or a Clueless Betty and totally check out Smash Hits! ... or whatever!
