

Special wedding dress suit hire offer at Donnellan & Co.

To celebrate the arrival of spring, there is a very special offer ongoing at Donnellan & Co., Main Street, Roscommon, on men's dress suit hire.

Donnellan & Co. is open six days each week for dress suit hire, with late opening on Friday evenings until 8 pm and 6.30 pm on Saturdays. All of the dress suits offered for hire in Donnellan & Co. are Magee suits. The suits come in three different styles, the Prince Edward, Tails and the Lounge suit, with the Prince Edward being the most popular style.

Two styles of trousers are available to accompany any of the above styles, a herringbone or striped trousers. A variety of colours are available, for example jackets are available in navy, black, grey and brown.

Donnellan & Co. stock a selection of waistcoats, by Heirloom, Piscador an De Renouard, and these are available in a variety of colours. Choose from two different styles of shirts, winged collar and plain collar. Donnellan & Co. also stock a slim-line shirt by Olymp.

Neckwear available includes clip-on cravats, ties and neck bows, which come in a variety of colours and have two finishes, satin or dupion. Colour trends for 2010 include amethyst, fuchsia pink, royal blue, teal green and charcoal grey. Top hats are also available to hire.

A special offer on wedding hire is available until March 31st. If you book your wedding suit hire before 31st March and if you book five adult suits or more, dress suit hire for the groom is free. Those who avail of this offer can also look forward to getting a shirt and cuff links to keep afterwards. Also, if shoes are required, there is a special offer on a black laced Bugatti shoe, which normally retails at €95. If a suit is hired, it retails at €79.99.

Donnellan & Co. also offer tuxedo hire. Top-of-the-range Magee and Torre suits are offered and shirts and accessories for those are also available, as well as neckbows in a range of colours and designs.

An even complexion, radiance and comfort, women want it all from a foundation right from the start. Plus, they want make-up that lasts for hours, from dawn to dusk!

Who other than Clarins, the skin care expert, could create a foundation as perfect as this? With a melting texture that delivers flawless coverage, a radiant and even make-up result and amazing hold, Clarins Everlasting Foundation SPF 15 satisfies even the most demanding requests for foundation perfection.

15 hours of flawless hold
The Secret? Thanks to the Clarins High Fidelity System, the performance secret behind Everlasting Foundation SPF 15, the product glides on effortlessly onto the skin. The High Fidelity System is an invisible microfilm formulated with new generation silicones, 100 percent natural and environmentally friendly white clay and hectorite (also known as rhas-

soul). The ultra fine structure of the High Fidelity System, maintains colour pigments perfectly adhered to the skin surface and prevents them from settling into wrinkles, allowing your face to stay fresh-looking all day.

15 hours of hydration
A Clarins exclusive, a plant based micro patch delivers ideal time released hydration, by forming a hydrofilm which provides both invisible protection against dehydration and a moisture reservoir, thus helping skin look toned and feeling comfortable.

15 hours of radiance
By using an optical effect, Clarins exclusive 'light-optimising' complex combines soft focus pigments and mother of pearl to instantly capture, diffuse and magnify light. Skin appears smooth as fine lines and imperfections are optically 'erased'.

15 hours of comfort
This foundation offers an incredibly supple texture and lightweight comfort, melting the product perfectly onto the skin. The result? Instant, even make-up coverage with no mask effect.

Everlasting Foundation SPF 15 – available in 10 shades – Retail price €29. Available on Clarins Counters Nationwide in February 2010.

Don't forget, the Clarins Big Beauty Offer runs at Fleming's

Pharmacy, Main Street, Roscommon, from Thursday, 4th March to Saturday, 13th March. For an appointment, call (090) 66 26326.

250 jobs for Athlone

250 jobs will be created in Athlone at a new laboratory facility which was officially opened by An Taoiseach Brian Cowen TD on Monday of this week. The company, PPD, says that it will invest €14 million in the facility at Garrycastle. The project is supported by the IDA.

50 jobs have been created already and the other 200 jobs, most of which will be for graduates, will come on-stream over the next four years. The company provides research data to other companies and government agencies in the pharmaceutical sector worldwide.

Fatal traffic accident at Tarmonbarry

Gardaí in Boyle are investigating the circumstances of a fatal road traffic collision, which occurred at Tarmonbarry, on the Longford to Strokestown Rd, on Wednesday morning, March 3rd.

The single vehicle collision occurred at 2.45 am on the 3rd March. A 34-year-old man, the only occupant of a car, was pronounced dead at the scene and his body has been removed to Roscommon General Hospital.

The N5 Longford to Strokestown Road was closed pending a forensic collision examination and diversions were put in place in the area.
