Crosby proud of community spirit

Local Cllr. Tom Crosby (Independent) wishes to compliment the work of all the associations who have contributed so much to the betterment of the community. He cites as examples the local GAA Club, St Barry's, who provide excellent amenities for the young people of the parish and surrounding areas in the newly-refurbished amenities and grounds in the village.

Also playing a major role in community life are Macra Na Ferime and Tarmonbarry Drama Group, Readoiri Ballad Group and Forogie, "all of whom have brought great honour to the par-

ish, winning competitions at regional and national level. I would also like to pay tribute to the many other associations throughout the parish who play their part in making the parish of Tarmonbarry/Scramogue a better and safer place to live in. I also wish to compliment the business community for their major contribution and services they provide to locals, tourists and the many visitors who visit Tarmonbarry by road and from the cruiser traffic on the River Shannon which is know as one of the most popular stop-overs on this famous waterway."

Tarmonbarry Development and Tidy Towns recruited local boat owners to apply for the eco label blue flag as part of their Green Home Award.
