

# Top quality sales and service at Roscommon Lawnmowers

Spring has sprung and now is the time to get your lawnmower serviced or perhaps buy a new one, so you must pay a visit to Roscommon Lawnmowers, Rathconnor, Fourmilehouse.

Hal Moran and his wife Sinead are the owners of Roscommon Lawnmowers. Hal and Sinead have two children, Sophie (7) who attends Roxboro NS and Sasha (3) who attends Cluain Bhríde child-

care centre in Fourmilehouse. Hal has 20 years experience in the business, having worked at Moran Motors, Lanesboro Street, Roscommon, for many years.

Roscommon Lawnmowers sells, services and repairs ride-on and self-propelled lawnmowers, tractor mowers, rotavators, strimmers, hedgecutters, chainsaws, cement mixers and generators. They stock leading brands such as Active (formerly Harry), Tanaka, Snapper,

Castelgarden, Efco, Murray, Ags Starjet and much more.

Roscommon Lawnmowers has an agency for the area for the Active brand of lawnmowers, known to many as its former brand name 'Harry'. Harry has now been re-branded as Active, so if you're looking to replace your old Harry lawnmower, give Hal a call and check out the great value currently available on Active lawnmowers. Other top names catered for at Roscommon lawnmowers include Castelgarden, Snapper, Tanaka and Efco. Roscommon Lawnmowers offer sales and service on all rotary engines.

Asked about trends for 2010 in the gardening and landscaping department, Hal said that this year it's all about price. "People are looking for the best mower they can get at the cheapest price. It's all about good value and cost effective machines and they want some place that they can go back to for repairs or to get parts in years to come.

"We provide that service and anything we wouldn't have in stock, is only a phone call away," said Hal. This is Hal's first year in business in Roscommon Lawnmowers, but the 21 years experience in Moran Motors will no doubt stand him in good stead and he is hoping that many customers from Roscommon

town, who would formerly have visited Moran's, will now come to his new purpose-built premises at Rathconnor, to have their machines serviced or when making a purchase.

Now is the time to get your garden equipment in optimum working order, with the steady advance of spring. If you are planning an important occasion at your home, such as a party to celebrate a communion or confirmation, then now is a good time to start work on your garden.

Roscommon Lawnmowers, which has all the top brands, offers great prices and trade-ins are accepted. Remember, don't change your lawnmower without giving Roscommon Lawnmowers a call for a quotation. Service is always prompt at Roscommon Lawnmowers, so there's no reason why you can't achieve that perfect lawn in coming weeks!
