3, Ireland's largest high speed network, has opened a new 3Store in Roscommon.

The fifth of 28 new 3Stores which will be opening across the country and creating 90 new retail jobs nationwide this year. 3 is investing nearly €5 million increasing its retail footprint with eight own stores and 20 independently-owned operations under the 3 brand. The new 3Store in Roscommon is ideally located at 4 Harrison Centre, Roscommon Town, owned and managed by Darragh and Jackie Valentine.

The new retail outlets will significantly extend 3's reach across the country and will complement the existing 22 3Stores and 200 independent retailers which serve 3's growing customer base of over 470,000 users. The retail expansion programme has been designed to increase 3's retail footprint to maximum effect.
