So make sure and go along to Rockford's on Saturday, July 31st for a great night.

Successful fundraiser for the Rogers family

A hugely successful fundraiser for the Rogers family was recently held in the Shannon Key West Hotel in Rooskey.

Three members of the Rogers family are currently receiving treatment for very serious illnesses. The family live in Drumlish, Co. Longford, but are originally from the Strokestown and Rooskey areas.

"The event was an overwhelming success where the venue was packed to capacity and people from all over Longford, Leitrim and Roscommon came in huge numbers to support this very unique and worthy cause," said local councillor Tom Crosby.

"The joint committee from the Drumlish and the Strokestown areas who organised the fundraising was established in April last, included door-to-door sales of tickets for the event, collecting of auction items, spot prizes organising bands and promoting the event in the media etc, all of which resulted in a substantial amount of money being collected that in turn will give much-needed financial help for this family where the three members are attending Dublin hospitals both as in patients and out patients on a continuous basis."

On behalf of the organising committee the chairman Cllr Tom Crosby would like to sincerely thank all who contributed so generously, all who bought tickets in support, who gave donations, people who gave auction items and spot prizes, the very large crowd who supported on the night.

Tom, on behalf of the committee, would also like to sincerely thank the Shannon Key West Hotel for providing the venue, the many artists who provided the excellent music on the night and gave their time and commitment free of charge, and local media who promoted the event free of charge making it such a great success.

Sun shines for Happy Hearts

In the midst of a temporary breakdown of our glorious summer, the sun shone for a group of walkers who came out to Ballynamona bog in the parish of Cam and enjoyed a lively stroll on road and field by way of the model-fliers airfield.

The anti-litter CCTV cameras recorded a motley group, aged from seven to 70, male and female, clad in a colourful mix of sporty and fashion clothing. Crossing the fields they were greeted by a trio of friendly horses, hunters out to grass for their quiet season and happy to have company. The event was rounded off with carrot cake, fresh scones, fruit, juices and strong tea. The walk was organised by Cam Defibrillator Group and the next outing is being planned for September.
