

Spring into spring

Spring cleaning tips

- Use a water hose to spray the outside of your house. This will remove siding cobwebs and dirt.
- Dust blinds by wrapping a cloth around a ruler. Spray cloth with a dusting spray and run the flat end across each blind.
- Shine windows using old newspaper.
- Clean windows on an average temperature, preferably overcast day to avoid streaks.
- Dry windows outside in one direction then inside in the other direction. If you see a streak, you will know which side is the offender.
- Glass shower doors will sparkle if cleaned with white vinegar.
- Lemon furniture oil will remove water spots on metal frames.

Spring clean time

Communities all over Ireland have been hit hard by the damaging effects of winter flooding, snow and ice as well as the negativities of the current economic climate.

The National Spring Clean, Ireland's largest anti-litter initiative, is urging people from Roscommon to help to revive their community spirit this spring by volunteering some time. The campaign, which runs throughout the month of April, is fully reliant on volunteers and free clean-up kits will be issued to those registering a clean-up.

In 2009, more than 505,000 people volunteered to join with other members of their community to organise National Spring Clean events around the country where an estimated 1,596 tonnes of litter was collected and 35 percent of that waste was recycled.

All those registering for the National Spring Clean campaign are issued with a free clean-up kit, which contains information, posters, colour-coded refuse sacks for segregation of waste materials, protective gloves and tabards to keep participants clean. An Taisce will also liaise with local authorities to ensure that all materials collected will be picked up without charge.

To register for National Spring Clean call (01) 4002220 or log on to the website at www.nationalspringclean.org.

Model and National Spring Clean supporter, Sarah McGovern recently called for Irish people to sign up for the National Spring Clean campaign, Ireland's largest anti-litter initiative which runs throughout the month of April.

- Spots on stainless steel also can be removed with vinegar.
- For a sparkling white porcelain sink, place paper towels across the bottom of your sink and saturate with household bleach. Let sit for eight hours and rinse. Never use bleach in coloured sinks.
- Wipe the fridge with vinegar to prevent mildew.

Cleaning Doctor Cleans & Protects With SmartSeal

Cleaning Doctor George Coyle talks about his cleaning and maintenance services.

George Coyle from Four Roads in Roscommon, who runs a successful Cleaning Doctor® external cleaning and maintenance business, has been appointed as a SmartSeal Ireland agent in Galway and Roscommon. Cleaning Doctor, in association with SmartSeal Ireland, cleans and restores all outdoor surfaces for the property owner. If your property surfaces need a facelift, be it tarmac, cobble lock, imprinted concrete,

brick paving, patio slabs or your roof needs attention, George is fully trained and certified to carry out all restoration work.

George explains that his external cleaning and restoration services are for everyone. "Whether your property is a modest home, a grand house, a luxury hotel or a busy commercial site, my external cleaning and maintenance services are designed to greatly enhance the external appearance and value of your property."

"At Cleaning Doctor we recognise that every property is different - you will receive external cleaning and maintenance that is designed to suit your specific requirements. I provide the following services:

- Outdoor cleaning and maintenance to keep properties looking like new
- Power washing
- Tarmac restoration
- Driveway cleaning
- Patio cleaning
- Block paving refurbishment
- Imprinted concrete cleaning
- Decking and wood cleaning
- Roof and wall cleaning

- Fascia and soffit cleaning
- Gutter and downpipe cleaning
- Block paving, concrete and patio sealers and sealants
- Specialist cleaning and treatments to get rid of acum, moss, mould, algae and other unsightly surface growths and problems.
- Window cleaning
- High-level glass and frame washing with my pure-water, high-reach pole system.

George emphasises, "I provide a professional service using superior machines and products. Every job is suitably priced and backed up with my 100% risk-free, money-back guarantee."

"If you want to get control of your outside areas and enjoy them to the maximum, call me soon. I will come and discuss a tailor-made programme that will be just right for you and your budget. Then you can then relax and enjoy your property even more - guaranteed."
