Roscommon Lamb Festival is going to be woolly good fun!

Wool is the order of the day on the Roscommon Lamb Festival's Family Fun Sunday on the 2nd of May.

The main event sees two venues in the town, a Wool Craft Village in the festival marquee and just up the laneway in Loughnaneane Park is the Family Fun Sunday in the Park.

Both venues will be great fun and celebrate wool in many ways! New to the Lamb Festival this year is the Wool Craft Village which will take place in the festival marquee on the Square. There will be much to see and do, exhibitors selling specialist supplies for all your knitting needs, sheep shearing demonstrations, an interactive knitting circle and numer-

ous demonstrations from leading artists and groups to introduce you to lots of new techniques with wool. There will be demonstrations in feltmaking, weaving, knitting, natural dyeing of wool and crochet throughout the afternoon. There will also be a group of spinners spinning the freshly sheared wool for knitting and you will have the opportunity to join in and learn how to spin yourself.

Members of the Roscommon knitting circle, The Cast Offs, will form a large knitting circle which you can join in on. Some wool and needles will be available but if you have any of your own be sure to cast on and come along!

It is hoped to have

enough knitted/crocheted squares to stitch together and display at the end of

the festival. Fibre Artist Fran Crowe will demonstrate her tapestry

weaving and also natural dyeing of wool. Merrove Guiren will be running an

interactive weaving demonstration and that's just on the Square!
