

Ballygar 66th Annual Carnival 2010

Thursday 29th July to Tuesday 3rd August

Plenty to do and see at fun-filled Ballygar Carnival

The 66th annual Ballygar Carnival kicks-off on Thursday, 29th of July and promises to be one of the highlights of the year with plenty to do and see over the course of the six-day event.

Music lovers will be treated

to a musical bonanza with the very best entertainment being provided by some of Ireland's most popular acts including The Wolfe Tones, The Conquerors, The Classic Beatles and Big Generator.

There are also an array of novelty events taking place with hurling and football tournaments, the annual soccer tournament, a marching band competition, a children's fancy dress competition and Monster Bingo all taking place during the carnival.

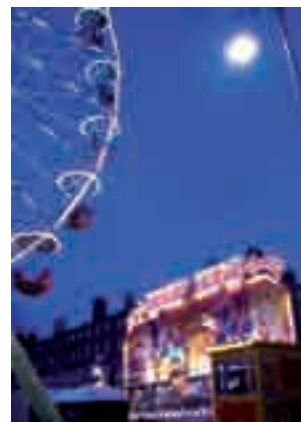

A talent show will take place on Saturday so if you think you have what it takes to become the next JLS or Jedward, why not enter. You could have the chance of scooping the €1000 cash prize.

The annual Tug o'War competition will be taking place on Friday and promises to draw huge interest while this year marks the return of the marching bands competition, which will be held on Sunday.

On Monday an Old Fair Day and Market takes place and includes stalls, cally making, butter making, a farmers market, competitions and many other side events which will be of interest.

Murrays Amusements will also be in town for the festival and will open at 7.30 pm nightly and from Sunday and Bank Holiday Monday at 2 pm during the day.

The Carnival promises to be a great occasion for all so why not pop along to Ballygar next weekend. There's something for everyone to do and see with novel events and music to suit all.
