Tom Raftery Car Sales approved as Isuzu dealers

Tom Raftery Car Sales has been servicing the west and midlands for the best part of 20 years, having started in Clonfad, Ballinasloe with a Kia Dealership, then moving on to Daihatsu, Peugeot and Seat marques and just this week has been approved for the new Isuzu range of 4X4s.

To celebrate the new appointment, Tom Raftery Car Sales, based at Clonfad, Ballinasloe and Monksland, Athlone, is having a massive pre-July sale, with discounts of up to €1,000 on all used stock.

"Taking account of the present economic climate, we are adjusting all our prices to suit everybody's pocket. With over 100 quality used vehicles in stock, we are in a position to knock down our prices.

We are privileged to have the dealerships of such excellent and environmentally friendly brands as Seat, Peugeot, Daihatsu and Isuzu, with many cars coming down in price by as much as €3,500 in July.

"We are confident that we will offer great value to all our customers.

"We have a state-of-the-art showroom in Monksland, Athlone, for the convenience of our customers from Roscommon and the midlands, where you can see all our new range of Peugeot, Seat, Daihatsu and Isuzu. We offer one-hour finance approval with many of the leading financial institutions with no deposit required. We are also delighted to announce that we will have an open-air stand in Athlone Agricultural show on Sunday June 28th where you can meet us and view our fabulous range of vehicles."
